

FORT WORTH MUSEUM  
SCIENCE AND HISTORY

JULY 21 \* 6-10 PM

**SCIENCE ON TAP: BUBBLE-OLOGY**  
*It's time for some grown-up fun at the Museum*

**Bubbling** with curiosity to discover what **Science on Tap** is all about? Look no further as we explore **Bubble-ology: the science of bubbles** and the fascinating places we find them all around us. Explore **bubbles** as you sample beer from **Wild Acre Brewing Company**, taste unique bubbly substances in our **Taste Lab**, learn where we can **find bubbles around stars**, and even discover how to make your own square **soap bubbles!** Add in the crowd favorites **Trivia on Tap**, **live music** and a museum-wide adult **scavenger hunt**, and you have one savvy social hour or date night!

FEATURING LIVE MUSIC BY
